Meet at the Restaurant Bären, Hottwil, at **14:15**

The Flösserweg – Part 2

We did the first part of this walk last year, on the route taken by ferrymen 150 years ago, when returning to Brugg by foot after taking rafts of logs down the Aare and Rhine, on their way to the shipyards of the Netherlands.

This year we start at Hottwil and end up with a meal at the Restaurant Frohsinn in Stilli. The walk is relatively easy and should take about 3hrs.

Come prepared, if there is the possibility of rain, as the walk will take place in any weather.

After registering, you will receive menu options to choose from, as it is quicker to serve us if we can order in advance.

There is a bus from Brugg to Hottwil which leaves at **13:35** and arrives at the Bären at **14:04**. To return to Brugg, you can take the last bus from Stilli at **20:13**, so remember to bring your ½-Tax card with you.

Please register by **2 June** with Trevor at:
