Gemeindesaal Möriken-Wildegg

DER GRAF VON LUXEMBURG

Operetta by Franz Lehar

This well known, but not often given operetta (due to many soloists) is on stage in Möriken-Wildegg from October till December 2009. Franz Lehar once mentioned: "I could act myself in the operetta, I like it so much!!"

Come and enjoy an amusing evening with lovely music, a well trained group of soloists and choir, plus an orchestra, conducted by an Englishman, David Cowan. The new director, Thomas Dietrich is internationally known with many years of experience in famous houses like the opera houses in Dresden, Hamburg, Stockholm, Vienna etc.

Valery and Jürg are on scene and have reserved 20 tickets for the ESC (14.11.09 19.00h).

Reservations: by e-mail to: vjbraun@highspeed.ch
or call 056 624 23 16 (First come first served!)

Afterwards we can go for a drink nearby. We will reserve a place.
