

## ***HOLCIM Cement factory***

Limestone and chunks of clay are transported from a quarry in Villigen on a 3.8km long conveyor belt to the cement factory in Siggenthal-Station.

What happens next?

Come and get all the information about the **Holcim cement factory**.  
The tour lasts about 2 hours.

**Long trousers and closed shoes are required.**

As I need to hand in a list of participants in advance, you'll have to **make a reservation by 22<sup>nd</sup> June** at the latest.

We'll meet at the parking for visitors and employees. Drive to the roundabout next to the Coop in Würenlingen. In the roundabout follow the sign 'Industrie Würenlingen'. Go through the gate and follow the road.

Afterwards we could go for a drink at the Café Schneider.
