Walk

We meet in Schinznach-Bad at the Werkhof (1st roundabout coming from Brugg) and walk over the Chernenberg to Wildegg and back along the Aare river, where we can see the damage the beavers have

done to the trees.

It's about 2 ½ hours. If you are tired in Wildegg you can take the train back to Schinznach-Bad. We'll stop along the way for a drink.
