WINTER WALK

Our 'start as you mean to go on' walk this year takes us to the relatively unknown area of Hettenschwil.

Driving on the road to Leibstadt, turn off left after the village of Leuggern, direction Hettenschwil. Approximately 400m further, on the left-hand side, is a large parking area by the Lourdes Grotto.

Our 1 1/2 hour circular walk, leads through open fields and woodland, with spectacular views over the 'Klingnauer Stausee'.

Afterwards, we can warm ourselves up with a snack or cake, in a nearby restaurant.

Warning! This walk could be dirty, but we're used to that aren't we?!
