Mellingen

Stadt an der Reuss

The history and the future of this tiny town on the Reuss River will be on show with historian Reiner Stöckli. The tour will be in German.

We will meet at the parking place on the Birsfeldstrasse just outside the walled town. Driving from Baden you enter the town through the arched gateway and almost immediately leave it again through the other gate! At the circle take the first exit right and the parking place is on your right.

Afterwards we will find refreshment in the Hotel Löwen. This traditional hotel was first recorded in 1437 as a Habsburger Tavern
