Sheep shearing

Something more than just a haircut.

How do you hold them down? How do you get them on their back in the first place? It must take a firm hand, perhaps we all will be able to learn something from that! They are not all so well-behaved, come and see for yourself.

René will show us how it is done at the Arche-Hof in Spreitenbach, Kirchstrasse 15. Afterwards we can enjoy refreshment and nourishment together in the 'Stallbeiz' - and warm up! We meet in their car park at 11:00, which is the third farm on the left down the turning to the left at the Raiffeisenbank in the 'Dorf'.

They do no group commentary, but are happy with questions - German only! You can also buy your Sunday lunch - lamb (pro Spezia rara), smoked sausages and cheese.
