Waldhütte Fährich, Lengnau

SUMMER BARBECUE

We are again organizing our ever popular “GARDEN PARTY” in the same forest hut as in previous years. In this comfortable hut (incl. WC), we are well protected from heat waves or downpours! The venue is great for children – games can be organized and walks of various lengths can be incorporated in the event, should it be desired.

As usual, we ask you to bring your own food for grilling. Bread, soft drinks and beer are provided by the club. If you prefer wine, please bring your own. Please let Brigitte know what salad, dessert or cake you can offer us. (No deep freeze available!)

There is a certain amount of parking space but, so that we can set up some games, after bringing your ‘offerings’, it would be appreciated if you could leave your car 10 minutes’ walk away, at the entrance to the forest.

Please let Brigitte know if you’ll be coming by **Tuesday, 19th August**, phone 056 424 1700, mobile 079 520 7306, e-mail: bd.laubacher@gmail.com
