Waldhütte Fährich, Lengnau

SUMMER BARBECUE

Do come and join us for this ever popular event in the well-known forest hut. It is a comfortable hut where you are optimally protected from heat waves or downpours! The venue is great for children – games can be organized and walks of various lengths can be incorporated in the event, should it be desired. We are starting a bit earlier this year to get the best of the day and to enable those who wish to, to go for a walk or play games (bring with you).

As usual, we ask you to bring your own food for grilling. Bread, soft drinks and beer are provided by the club. If you prefer wine, please bring your own. Please let Brigitte know what salad, dessert or cake you can offer us. (No deep freeze available!)

There is a certain amount of imaginative parking space but, so that games can be set up, after bringing your 'offerings', it would be appreciated if you could leave your car 10 minutes' walk away, at the edge of the forest.

Let Brigitte know if you'll be coming by **Tuesday 14th July**.

NB. Directions to Fährich Waldhütte:

From the roundabout in Lengnau continue towards Eendingen to a left turn to Degermoos, approx 300m further on. Follow that road uphill. At a fountain turn left, straight into the forest. At the first road inside the forest turn left. The signs from the main road are already marked 'Waldhütte'.
