SECURITY

Cheminéeraum, Gasthaus Hirschen, Kirchdorf

You don't have to lock yourself in to be sure you are safe in everyday life!

Mr. Mohn from the Kantonspolizei Aarau is responsible for public security. He will talk about the problems which abound in our modern world, and how this knowledge can ensure that we still enjoy life without undue anxiety – especially as one gets older.

The talk will be in German.

Join us first for a meal in the Restaurant Hirschen at 18.30, or come straight to the Cheminéeraum for 20.00
