

Sunday 29th May or Sunday 5th June 2016

Walk to the Alpenrosenfest Schneisingen

There are a few Alpenrosen still growing in the forest of Schneisingen and since more than 100 years

this village is celebrating these flowers with a big party in the forest. We take this opportunity to visit the Alpenrosen/party

and walk there.

The party is held only if the weather is good, i.e. either on 29th May or 5th June.

We meet next to the Synagogue Lengnau at 13.30 h.

The walk will be approx. 2 hours.

Please ring us in case the weather is doubtful.
