Sir Malcolm Campbell's 1938 world record on Lake Hallwil

On 17th September 1938 Sir Malcolm Campbell set a new world water speed record of 210.67 km/h on Lake Hallwil. The record breaking boat, Blue Bird, was designed and constructed by Sir Malcolm Campbell himself.

Heinz Bertschi (1972) grew up near lake Hallwil and is the producer of the film that records the exciting events of 1938. He produced the film between 2014 and 2016.

19:00 doors open / 21.00 film in Schachen Aarau (Heinz Bertschi will be present)
DOK-Film: Weltrekord auf dem Hallwilersee 88 Min

In 1998 Mr. H. Bertschi read a small article in a newspaper in regard to this world record which had taken place in his neighbourhood in. From 2006 he started intensive

research in libraries and bought exhibits. A script was made and from 2014 to 2015 a documentary film was produced.
