Walk to and through the nature-reserve *Chly Rhy* in Rietheim

We meet at the parking o the Tennis Club in Bad Zurzach at 13.30h

After an easy 40 min walk along the River Rhein, we arrive at the newly created nature-

reserve *Chli Rhy*.

Here we can watch the wildlife from different viewpoints.

For those who feel fit enough, there is a 2.5km detour to the *Chlyni Laufe*, the last natural rapid before the river joins the Northsea.

On the 30 Min. walk back to the car park we can stop for a drink or snack at the Restaurant Krone in Rietheim.
