April, 12.45h**

***Zürich HB
- behind the
scenes***

We all know the good old main station in Zürich, and have rushed through it many times without giving a thought to how it keeps going. It is another of those things you just take for granted.

Now you will have the chance to see what it takes to keep such a huge complex running, and you will be surprised at the extent of the equipment there, the organization, and how it all helps to make things 'just' work.

We meet at the 'Treffpunkt' in the station at 12:45, and afterwards will as usual go for a drink and a chat. Please be on time as we have to pick up our guide at the other side of the station. The tour will be in English.

Cost: Non-members SFR 10.-,
members paid for by the club.
