Waldhütte Fährich, Lengnau

SUMMER PARTY

Once again we are meeting up for this ever-popular event at the usual much-loved venue, which is great for families, including grandchildren! The event includes walks of various lengths to help the food go down, and the lunchtime start makes the day longer and gives you more time to wander about and set up games if you want, but do bring any necessary equipment with you.

As usual, we ask you to bring your own food. Note that we are continuing the non-grilling option to make matters less stressful. For those who wish to grill the fire will be lit, thereafter, it's up to you to keep it burning. Bread, soft drinks and beer are provided by the club, but if you prefer wine, please bring your own. **Please let Brigitte know what salad, dessert or cake you can offer us.** (No deep freeze available!) There is a certain amount of imaginative parking space but after bringing your 'offerings', it would be appreciated if you could leave your car a few minutes' walk away, at the edge of the forest.

Let Brigitte know if you'll be coming by

Tuesday 11th July. Phone 056 424 17 00

or email: bd.laubacher@gmail.com

NB. Directions to Fährich Waldhütte:

From the roundabout in Lengnau continue towards Endingen to a left turn to Degermoos, approx 300m further on. Follow that road uphill. At a fountain turn left, straight into the forest. At the first road inside the forest turn left. The signs from the main road are already marked 'Waldhütte'. Good luck!
