## Zürich HB – behind the scenes

Some of us saw it last year, and we afterwards heard regrets that others missed the chance to see it. So here is your second chance to marvel at the station complex, how it's all organized, also as the second largest shopping center in Switzerland!

You will see what it takes to keep such a huge complex running, and you will be surprised at the extent of the equipment there, the building, the organization, and how it all 'just' works. All this in the very centre of Zürich, not the easiest access for logistics.

We meet at the 'Treffpunkt' under the clock in the station at 12:45, and afterwards will as usual go for a drink and a chat. Please be on time. We have to pick up our guide at the other side of the station. The tour will be in English
