TALK ON TEA-TREE-OIL

Cheminée Raum, Gasthof Hirschen Kirchdorf

The healing power of the tea tree was discovered by wallabies, which are a kind of small kangaroo. Today the list, where Tea-Tree-

Oil helps to improve any problems concerning health, is very long.

Chris Benz is a passionate Tea-Tree-Oil-specialist. Over the past 20 years he has helped to make Tea-Tree-Oil known as a natural remedy in Switzerland.

He is going to tell us where this precious oil comes from, how it's produced and how we can use it as a natural remedy in many different ways.

Cost: Non-members Fr. 10.- Members free of charge
No reservation necessary.
