Bülach City Tour

In an approx. 2 hour tour you will get to know the lovely old town of Bülach with its beautiful timbered houses and many old fountains. We will have a closer look at the Rathaus, the Ortsmuseum and the Reformierte Kirche. Those who feel fit enough can climb

the 71 m clock tower and enjoy the view over Bülach and its neighbouring villages.

We meet in front of the Rathaus. Parking is available at the Sonnenhof or at the Stadthalle.
