## **Sunday Walk**

Let's enjoy a walk in the autumn forest. The trees are in all colours and it is just beautiful - as long as we have splendid weather! And in case it rains, the farmers will be very pleased.

The walk will be about one hour – or can be prolonged on request.

At the end we will meet for a chat in a restaurant.

We meet at 13.30 h at the parking by the Synagogue Lengnau.
