

Sunday, 19th May 2019 14.45h
Visit to the MÜHLE-MUSEUM
Schinznach – Dorf

Come and visit a very old, historically water driven stone mill. The mill is still working, often milling “Emmer and Einkorn” for a Baden brewery.

Our guide, Jürgen Hoffmann is one of the operators and proud representative of this unique mill.

The tour will be in German language.

We meet at the parking of the Primarschulhaus. Drive into the village of Schinznach-Dorf, turn down to the left just before the church. At the bottom, next to the little river (driving the mill) is a parking lot. We will meet there at 14.45h and walk up together.

Cost with Apéro and snacks Fr. 20.- per person.

I need to know the amount of people attending, latest Monday 13.5.2019.
