Walk in the „Langenzinggen“, Oberglatt

This is a walk watching the planes land at Zürich Airport from the side and from underneath. If we are lucky enough to have the “Föhn”, we will see a spectacular mountain panorama as a bonus!

We meet at the parking on the road from Oberglatt to Bachenbülach. After going under two bridges it is the parking on the left.

The walk is about one hour – after that we sit together in a “Beiz”.
