Walk on the Stadlerberg

We will go for an easy 1 ½ hour walk on the Stadlerberg. The entire walk is in the forest, so it should be ideal for a hot summer day

On our way we will come to the “Helvetierschanze” (a former refuge of the celtic population of the area) and we will be able to enjoy the view from the wooden look-out (25m high, constructed in 1964) over the Zürcher Unterland and the Airport

We meet at the parking at the top of the road between Stadel and Bachs. The parking is not signposted but it is next to a bus stop (Bus 535). The easy walk will take approx. 1 ½ hour.
