## **Synagogue – Jewish cemetery “Judenweg”**

The local historian Franz Laube will inform us about the Jewish culture in Lengnau. We will be able to visit the synagogue and the Jewish cemetery and will be shown typical buildings along the “Judenweg”, which opened last year.

Mr. Laube will hold the talk in German and, hopefully, some members will be able to translate for those whose German is not yet up to the mark!

Non-members have to pay a fee of Fr. 10.--.

We meet at 13:45 by the Synagogue, Lengnau.
