Handwerker- und Feuerwehrmuseum Endingen

Schöntal 4, Endingen
(Road between Endingen and Lengnau)

Walter Huber was not only a successful businessman but also an assiduous collector, gathering tools and vehicles of different trades and periods as well as vehicles and tools used by the fire brigades in the past.

Since 1999 the access to his collection is open to the public

We will have ample time to discover freely the treasures of this rather unusual museum and we can go for a drink afterwards
