

Friday 6th March 2020, 15.30h
MATCH MUSEUM,
Oltnerstrasse 80, SCHÖNENWERD

Well, 'Strike a light'!
Have you thought for how long, these little sticks of wood have immeasurably simplified our daily lives and, in spite of our high-tech society, still do?
A one hour tour with guide through this beautifully presented little museum is a delight.

Afterwards, 300m away, we can have a

Persian meal

in a very simple but authentic restaurant.

Any number can come to the museum but the restaurant has only 16 places so please register with Hans until **Monday, 2nd March** if you want to join us there. Kebabs are the speciality but Vegetarian can be served with pre-reservation.

There are a few blue-zone parking places but the less cars, the better.
