SPRING WALK ALONG THE AARE
of about 1 hour

A very easy, flat walk along the Aare from the Badstübli in Schinznach-Bad towards Brugg and over the bridge onto the “Schachen Insle”.

From there we will walk back towards the end of the island, crossing over the bridge and weir turning towards our parked cars. Those who are up to about 30 minutes more, can continue towards the road/bridge crossing further away and turn back from there.

Meeting point: Restaurant Badstübli in Schinznach Bad, next to the Aar-Reha clinic.

There are quite a lot of parking spaces right next to the Badstübli, also easily reached by train from the Station Schinznach Bad. After our easy walk we can enjoy a drink at the Badstübli.
