Walk from Dottikon to Othmarsingen and back.

Join us for a very easy, flat walk along the river Bünz of about 1 $\frac{3}{4}$ hours.

Meeting point Coop in the middle of Dottikon. Right after the shop is a rather large parking lot, where you can leave

the cars. From here we will walk along the river towards Henschiken and over the bridge and through fields back to where we started.

Afterwards we can then enjoy some refreshments at the “Timeless” just a few meters from our starting point.
