## **Museum of Music Automaton**

Bollhübel 1, Seewen

This museum houses one of the world's largest and best known collections of Swiss cylinder and disc music boxes, clocks and jewelry containing musical mechanisms from the past two centuries.

We're going to have a tour of 80 min., which includes the room with the organ from the Britannic and all the other rooms. There are chairs or benches to sit on in every room.

We are meeting at 13.20h at the entrance. The tour starts at 13.40h.

Tickets: adults Fr. 18.- / pensioners Fr.14.50

**The tour has to be booked, so please make your reservation with Gaby until Saturday, 25th February 2023 at the latest.**
