

Friday, 24th March 2023, 13.30h WASSERSCHLOSS WALK

An easy, circa 1 1/2 hour, walk.

We see the conjoining of the three great Aargau rivers – the Aare, the Limmat and the Reuss.

These 3 rivers flowing from the Alps eventually give their waters into the Rhein.

Towards the end of the walk, we can rest our

‘weary’ legs with a warming drink.

Meeting place:

Coming from Vogelsang after the bridge, on the left or

coming from Lauffohr, before the bridge, on the right.

At this time of the year, the conditions may be muddy so please come with appropriate footwear.

Our local guide will be Greta
